PRICING

What is a BALANCE MEMBERSHIP and how does it work?

- One-month commitment followed by a month-to-month plan.
- Convenient **15% discount** on each session.
- Automatic payments are charged on the **1st of every month** for hassle-free subscription maintenance.
- Versatility in choosing a membership for any therapist level.
- Freedom to receive sessions from practitioners that best suit your needs and preferences.
- Flexibility in selecting session length to align with your wellness goals.
- Rollover credits, allowing unused session credits to accumulate and be used in subsequent months.
- Shareable memberships, enabling members to extend their privileges to friends and family.

Which level of therapist is the best fit for me?

CONSULTATION & TRYOUT: In this 60-minute session, you'll receive a personalized 15-minute consultation with one of our skilled massage therapists to discuss your specific concerns. After that, enjoy a 45-minute hands-on experience with the therapist to see if they're the right fit for your needs.

LEVEL 1: GENERAL THERAPISTS: Our licensed GT's undergo Balances' rigorous bodywork training, thoughtfully paired with senior mentors to acquire advanced techniques. This guarantees their growth and proficiency, offering clients remarkable massage experiences at a more accessible investment without compromising on quality.

LEVEL 2: ADVANCED THERAPISTS: Our AT's excel in Balances' rigorous bodywork training and demonstrate mastery in therapeutic modalities and bodywork techniques. With unwavering dedication, they deliver unparalleled therapeutic experiences to our valued clients.

LEVEL 3: SENIOR ADVANCED THERAPISTS: Our SATs, highly specialized therapists, boast years of experience and exceptional educational backgrounds. They possess remarkable abilities in both performing and teaching their specialties, making them the perfect choice for clients with intricate bodywork goals.

LEVEL 4: ROLFING: Our Rolfers undergo rigorous training at the esteemed Dr. Ida Rolf Institute, specializing in Structural Integration. With hundreds of hours of mastering therapeutic massage, bodywork, and holistic education, they offer a unique blend of manual therapy and movement pattern reeducation to realign structure and enhance well-being. Perfect for clients seeking powerful results.
